

GATEWAY SAFETY CONSULTING, LLC is a full service occupational safety & health consulting, training, and staffing company. GSC is dedicated to helping our clients meet their goals with exceptional service and cost effective solutions.

SAFETY CONSULTING

GSC provides safety consulting services to meet your company's specific needs with cost effective solutions. Our services are designed to reduce incidents and workers compensation cost and maximize productivity and profits. We offer a wide variety of services including:

“Safety Programs, Safety Manuals, Inspections, Audits, Safety Training, OSHA Compliance”

SAFETY STAFFING

GSC specializes in providing Safety Professionals to staff and manage safety on your project or to supplement your team when additional safety support is needed. Our Safety Professionals have the experience, training, and certifications necessary to perform to our clients expectations.

“We have Long-Term, Short-Term, Temp-to-Hire, and Permanent Placement programs”

SAFETY TRAINING

GSC delivers safety training that satisfies and exceeds OSHA regulatory compliance requirements. Programs are available from basic awareness levels to the training needed to achieve a competent person designation. All of our training programs are delivered by experienced Safety Instructors including OSHA Authorized Instructors and Certified Safety Professionals. Online safety training is also available through our online course library.

“See our listed courses or check us out online at: www.gateway-safety.com”
